HOW TO USE NATIONAL JOURNAL REPORTS INDEXES

Material in *National Journal Reports* is indexed in eight ways:

National Journal Reports 3

This list is designed to provide quick access to reports and update articles which have appeared in *National Journal Reports* in Volume 5, July-September 1973.

Personal names 5

including public officials and private individuals whose activities are referred to in *National Journal Reports*. Excluded from this index are deceased persons.

Private organizations 12

including associations, law firms, lobby groups, trade organizations, corporations and universities whose activities are covered by *National Journal Reports*. Divisions of private organizations are listed under the organization. All organizations are listed under their complete, official names. If the official name begins with initials or a first name rather than the surname, the organization is filed alphabetically under the initial or first name as follows:

E. C. Knight Co. files with the E's
Arthur D. Little Co. files with the A's

Congress 15

including congressional committees and subcommittees whose activities are covered by *National Journal Reports*. Committees are filed under their substantive names; for example:

House Committee on Public Works is filed as Public Works Committee, House

Subcommittees are listed under the committee.

Government organizations 17

including federal departments, independent agencies, commissions, quasi-governmental agencies and international organizations whose activities are covered by *National Journal Reports*. Government organizations are filed under their substantive names; for example:

Office of Education is filed as Education Office

Bureau of Labor Statistics is filed as Labor Statistics Bureau

Commission on Marijuana and Drug Abuse is filed as Marijuana and Drug Abuse Natl. Commission

Advisory Commission on Intergovernmental Relations is filed as Intergovernmental Relations Advisory Commission.

Subdivisions of government units are listed under the main entity. Proposed government units are in *italic type*.

Geographic areas 22

including states, cities, congressional districts, foreign countries and other geographic place names. Sections of the Geographic Index are the United States and Foreign Countries.

Subjects 24

This structured index is arranged in broad subject categories which appear in **bold face type**. Each main category has subordinate categories; for example, under **communications** are subordinate categories magazines, newspapers, telephone; under **transportation** are aviation, highways, railroads. Many cross references are included in the subject index to refer the user to the appropriate main category. Example: *aviation see transportation; television see communications*.

Roll-Call Votes 29

This index lists by subjects House of Representatives and Senate roll-call votes in the first session of the 93rd Congress, July-September 1973.

When persons, places or organizations are mentioned in *National Journal Reports* more than seven times, *subject headings* are used under the name.

Major studies or analyses are indicated by page numbers in **bold face type**.

Entries are *alphabetized* letter by letter. Example:

American Road Builders
Americans for Democratic Action
American Society of Newspaper Editors

Aetna Life and Casualty Co.
AFL-CIO
Air Transport Assn.
